CLASS DESCRIPTION

We will begin with firearm safety instruction, a video presentation – Women's Guide to Firearms and cover the fundamentals of pistol shooting. The class will then be divided into two groups - the maximum for this class is 24 women – and then rotated. One group will head to the shooting range – we will be shooting .22 handguns. The other group will learn about ammunition basics, pistol shooting for sports and hunting, and tips on purchasing a handgun. A firearms display will be set up for handling of various firearms under certified instructor supervision. Please do not bring your own firearms to this class! **This is NOT the class required by law to obtain a Concealed Pistol License, but is a great prerequisite course if you are considering obtaining a CPL.**
